

# H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

Agency: Laguna Beach County Water District

Employee Nominated:

Name: Jeremy Harrowby, Boyd Schultz, & Chris Petersen

Job Classification: MW III, MW II, MW III, respectively

**Reason for Nomination:** Created a tool to efficiently remove angle stop valves, eliminating the need to remove meter boxes, concrete, asphalt, or to customize hardscaping and landscaping, which eliminates the associated job hazards as well. The idea for the tool came from Jeremy and Boyd, and they asked Chris to fabricate the tool.

- Teamwork
- Achievement
- Resourcefulness

### Reason for nomination: THINKING OUTSIDE OF THE BOX

Please state your reason(s) for a STAR Employee Incentive Award, giving as much background and other information as possible. Use a second sheet if needed. (See reverse for criteria.)

Jeremy and I created a tool to make our job easier and more efficient. This tool is to remove old angle stop valves when they need to be replaced, so we don't have to remove and replace meter boxes, concrete, asphalt, or customized hardscaping and landscaping. We thought up this tool and we asked Chris Petersen to fabricate this for us attached are three pictures of the newly created tool. This was a collaborated effort on be half of us three.

Does the contribution or achievement benefit the  Employee  Department  District? Explain how.

Employee- Not having to brake out concrete and asphalt lot less strain on the employee.  
 District- Saves the district money from not having to remove and replace meter boxes, asphalt, concrete and customized hardscaping and landscaping.
