

H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

Agency: Wheeler Ridge-Maricopa Water Storage District

Employee Nominated:

Name: Burton Rockwell

Job Classification: Pump / Electrical Foreman

Reason for Nomination: In continuation of the ongoing electrical safety training (which Burton started) at the District, Burton mounted electrical components on the wall in the electrical warehouse. All of the components are used at the District pumping plants. Burton uses the panel to teach the wiring of the motor starter using the wiring diagram, how the float switches work together to start the air compressor to supply air to the hydro-pneumatic tank, and how the Power Line Monitor monitors incoming electric current from PG&E to ensure that the voltage is stable to protect the District's equipment. Burton is the Pump/Electrical Foreman in the Pump Department that consists of three Electricians and two Pumpmen. Burton conducts the electrical safety training primarily with the two Pumpmen to ensure that they are taught in a safe manner.
