H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

Agency: Yolo County Flood Control & Water Conservation District

Employee Nominated:

Name: Kevin Bassham

Job Classification: Equipment Mechanic II

Reason for Nomination: Installation of safety cables

Kevin recognized the hazard of not having a secondary hose restraint on the District's air compressor hoses. Kevin purchased and installed Whip-check steel cables to prevent hose whip in case of accidental separation of air hose coupling. The simple device brings the District into compliance with an OSHA requirement.
