

# H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

OPS-MX

Agency: San Juan Water District

Employee Nominated:

Name: Randy Potter

Job Classification: Pump Station Technician

**Reason for Nomination:** Randy retrofitted several motor control center panels in the District's pump stations so the panel filter is now on the outside of the panel and not on the inside. This eliminates the need for the operator to go inside the panel to remove/replace the filter and be exposed to high voltage components.(480v) By doing so, this mitigates the ARC flash safety hazard.
