

# H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

Agency: El Dorado Irrigation District

OPS-FALLS; ERGO-FALLS; OPS-MX

Employee Nominated:

Name: Mike Hodges and Dustin Stoneback

Job Classification: Senior Plant Mechanic and Plant Mechanic II

**Reason for Nomination:** Mike and Dustin identified a significant fall hazard present when cleaning the inside of a wastewater digester. The discharge outlet is approximately 24 inches in diameter and several feet deep. Mike and Dustin designed a cover that was fabricated and is now used when cleaning the digester. Their solution significantly reduces the potential for industrial slip, trip, fall injury.

Nominated by: Ron Kilburg

Signature:

A handwritten signature in black ink that reads "Ron Kilburg".
