

TOPIC SEARCH

The ideas and loss reduction practices addressed in the ACWA/JPIA H.R. LaBounty Safety Awards are included on the JPIA's website following the Spring and Fall ACWA/JPIA Conferences. The following process can be used to find descriptions of the award-winning ideas and actions related to specific operational and ergonomic topics:

STEP 1: Connect to the JPIA's website (www.acwajpia.com)

STEP 2: Using the search feature found in the top right of the web page, enter one of the following search codes depending on the topic of your interest:

OPERATIONS

CATEGORY	SEARCH CODE
Infrastructure	OPS-INFRA
Construction	OPS-CONST
Falls	OPS-FALLS
Vehicles	OPS-VEH
Maintenance	OPS-MX

ERGONOMICS

CATEGORY	SEARCH CODE
Awkward Posture	ERGO-AP
Forceful Exertion	ERGO-FE
Pressure Points	ERGO-PP
Repetitive Motion	ERGO-RM
Falls	ERGO-FALLS
Lift/Push/Pull	ERGO-LPP
